**Xerox 8265 & 8290**  
Wide Format Outdoor Printers

# Specifications

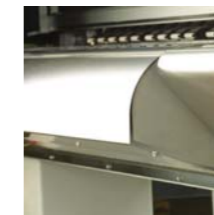

Product Names	8290	8265
<b>Technology</b>	Drop-on-demand Piezo Inkjet Technology	
<b>Maximum Media Widths</b>	89.76"	65.07"
<b>Maximum Print Widths</b>	88.58"	64.68"
<b>Ink-Colour / Consumption</b>	6-colour	6-colour
	C, M, Y, K, Lc, Lm	C, M, Y, K, Lc, Lm
<b>Multiple Print Modes / Resolutions</b>	220 ml / ink bottle	
	High Speed: 360 x 360 dpi	
	Production: 720 x 720 dpi	
<b>Top Speed (*)</b>	40 m <sup>2</sup> /h	40 m <sup>2</sup> /h
<b>Production Speeds (*)</b>	12 – 20 m <sup>2</sup> /h	12 – 20 m <sup>2</sup> /h
<b>High Quality (*)</b>	6 m <sup>2</sup> /h	6 m <sup>2</sup> /h
<b>Roll Media Core Diameter</b>	3 inch diameter	3 inch diameter
<b>Motorised Take-up System</b>	Roll-up: Standard	Roll-up: Standard
<b>Power Supply</b>	AC 100 – 120 V / AC 220 – 240 V (Auto switching)	
<b>Power Consumption</b>	1100 VA	800 VA
	100 VA in stand-by mode	
<b>Working Environment</b>	Temperature: 16 – 25 °C	
	Humidity: 40 – 60 % (no condensation)	
<b>Safety Certification</b>	CE, UL, CUL, CCIB, KTL, EMI:CE FCC Class A VCCI Class A	
<b>External Dimensions</b>	3700 (W) x 720 (D) x 1220 (H) mm	3070 (W) x 720 (D) x 1222 (H) mm
<b>Weight</b>	190 kg	160 kg

Indoor/Outdoor Applications

Quality output

# Xerox 8265 & 8290

## Wide Format Outdoor Printers

Eco Solvent Printer

Your nearest Xerox Wide Format representative is:

- **Wide format colour eco solvent printer**
- **High speed productivity up to 40 m<sup>2</sup> per hour printing**
- **Designed for unattended production environments**
- **Suitable for indoor and outdoor applications**
- **Permanent piezo electric print heads**

# Versatile Eco Solvent Wide Format Production Printer

**The Xerox Wide Format 8265 & 8290 is a highly flexible wide format printing solution that have been specifically designed to deliver high speed printing, high image quality for both indoor and outdoor applications.**

#### **Quality**

The Xerox 8265 & 8290 family of printers uses the latest dynamic variable dot piezo electric ink jet head technology, allowing smaller ink droplet size improving image quality. The printer family is capable of printing in three resolutions 360, 720 and 1440 DPI, giving you the flexibility of speed and high image quality.

The combination of the ink jet technology and the eco solvent inks allows a greater colour gamut usually only seen on water based ink jets, giving you the ability to produce indoor quality graphics with the durability for outdoor applications.

The Xerox 8265 & 8290 has a wide range of supported media, including White glossy photobased paper, White glossy vinyl / Monomeric PVC, White glossy vinyl / Polymeric PVC, PVC Scrim Banner, Cast PVC, Polyethylene Banner, Tyvek and Self Adhesive Eco Film (polyolefine-based).

#### **Durability**

For long-term outdoor use the Xerox 8265 & 8290 employs non aggressive eco solvent inks these improve the colour gamut over traditional solvent inks and have the added advantage of not requiring special ventilation or air purification units. The eco solvent inks are water-proof, high abrasion resistant and UV stable, printed images can last outdoors for up to three years, without the need of lamination or for any form of protection. All printers are supplied with a media take up systems to ensure the produced images are not damaged in an unattended environment.

The Xerox 8265 & 8290 range allows you to choose the printer for your application, the Xerox 8265 & 8290 range of printers in the following widths, 65" and 90". All machines can be run in four and six colour modes and can be loaded with two four colour ink sets for high speed operation.

#### **Wide range of applications**

The Xerox 8265 & 8290 range of printers will allow you to produce any type of outdoor print job, the range of applications include: point of purchase displays, banners, signage, exhibition graphics, long term backlit displays, vehicle graphics, street furniture, wall murals, stage, flags and corporate graphics.

#### **Support**

Xerox has the world's most comprehensive range of product and people based technical document services for reproduction distribution, printing and plotting, maintenance and management to improve business productivity through large format document management.

We manage a valuable asset, technical information, to help business achieve more efficient work processes, reduce time to market and increase productivity.

Xerox has unparalleled worldwide services and support, plus the resources and depth to think globally and act locally.

#### **Your guarantee of satisfaction**

Complete confidence in the quality and reliability of its products enables Xerox to make a unique offer.

#### **A total satisfaction guarantee**

If you are not fully satisfied with your Xerox equipment, Xerox will replace it with an identical or comparable model, upon request – at no cost to you.

This guarantee is valid for 3 years on equipment covered by a Xerox full service contract.

#### **Find out more**
